### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The proposed agreement will allow the Probation Department (Probation) to continue operating the Van Nuys Juvenile Area Office for an additional five years. Probation has occupied this facility since September 2000. The current lease expired on August 31, 2010, and is currently on a month-to-month holdover. The Chief Executive Office (CEO), Real Estate Division is working on various options to secure additional parking to meet the parking needs for this facility.

The office provides a work place for staff to assist probationers and their families access to County of Los Angeles (County) services including anger management counseling, drug rehabilitation, and after school programs in the area. In addition, staff conduct field investigations, supervise, attend court hearings, and ensure that minors adhere to all court-ordered conditions of probation. Client intake occurs at the satellite reception/interview center located at 7100 Van Nuys Boulevard, which serves approximately 850 probationers and an additional 350 clients monthly.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan Goal of Operational Effectiveness (Goal 1) directs that we improve operations and processes to increase effectiveness, enhance customer service, and support responsive County operations. In this case, the lease amendment supports this goal with a suitably located office with appropriate workspace for Probation as further outlined in Attachment A.

### **FISCAL IMPACT/FINANCING**

The proposed extension will provide Probation continued use of 13,500 square feet of office space at a maximum first year cost of \$202,500.

\* Based on the department's usage, the actual electricity costs to the County will vary. Per BOMA, the approximate electricity costs are \$2.16/sq.ft. annually, or \$29,160.

\*\* Total cost is the sum of the Annual Rent and Electricity Cost.

Sufficient funding for the proposed lease costs is included in the 2011-12 Rent Expense budget and will be billed back to Probation. Probation has sufficient funding in its 2011-12 operating budget to cover the projected lease costs.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The proposed lease amendment contains the following provisions:

- A five-year extension term commencing upon approval by your Board.
- Modified-gross lease with the lessor responsible for all operating and maintenance costs associated with the premises, and the County is responsible for the electricity costs.
- A Tenant Improvement (TI) allowance of \$135,000 for new carpet, paint, and miscellaneous improvements included in the base rent.
- Cancellation provision allowing the County to cancel any time with 90 days prior written notice and payment of a cancellation fee equal to the unamortized balance of the TI costs.
- Subject to annual rental adjustments of 2.5 percent of the base year rent.

The CEO, Real Estate staff conducted a survey within the service area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically, nor are there any County-owned or leased facilities available for this program. Based upon said survey, staff has established that the rental range for similar office space and a similar lease structure is between \$17 and \$20 per square foot per year. Thus, the annual rent of \$15 per square foot per year, including parking, for the proposed lease represents a rate below the market range for the area.

Attachment B shows County-owned or leased facilities in the proximity of the service area and there are no suitable County-owned or leased facilities available for the program.

The Department of Public Works has inspected this facility and found it seismically suitable for the County's occupancy. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402.

**ENVIRONMENTAL DOCUMENTATION**

The CEO has concluded that this lease amendment is exempt from California Environmental Quality Act (CEQA) as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board, and Section 15301 of the State CEQA Guidelines (Existing Facilities).

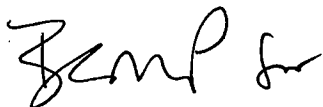

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The proposed lease amendment will adequately provide for the continued use of necessary office space for this County requirement. Probation concurs with the proposed recommendation.

**CONCLUSION**

It is requested that the Executive Officer, Board of Supervisors, return three originals of the executed amendment, two certified copies of the Minute Order and the adopted, stamped Board letter to the CEO, Real Estate Division at 222 South Hill Street, 4<sup>th</sup> Floor, Los Angeles, CA 90012 for further processing.

Respectfully submitted,

WILLIAM T FUJIOKA
